

Pictures, Videos, Video clips

Rationale

We are proud of Rankin School District #98. Thus, we want to provide recognition for our students, staff, programs, and school district! All attempts are made to use pictures, videos, and video clips that are positive for our entire learning community.

Pictures/Videos/Video clips of Unnamed Students: Students may occasionally appear in photographs, videos, and video clips taken by school staff members, other students, or other individuals authorized by the Rankin Staff. The school may use these pictures, without identifying the student, in various publications, including the school yearbook, school newspaper, social media outlets, and the school website. No consent or notice is needed or will be given before the District uses pictures of unnamed students taken while they are at school or a school-related activity. If this is an issue, please contact Dr. Gordon (309) 346-3182 or mgordon@rankin98.org.

Pictures/Videos/Video clips of Named Students: The District will also want to identify students in pictures, videos, and video clips. In order for the District to do this, we need parent/guardian consent. Please complete and sign this form to allow the District to publish and otherwise use photographs, videos, and video clips with your child or ward identified.

I consent to RANKIN SCHOOL DISTRICT #98 to identify a picture, video, and/or video clip of my child or ward, by full name and/or the school he or she attends, in any school sponsored material, publication, video, social media site, or website. This consent is valid for one entire school year and subsequent summer that my child or ward is enrolled in RANKIN SCHOOL DISTRICT #98. I may revoke this consent at any time by notifying the Superintendent.
