

Media Notification and Consent (Pictures, Videos, Video clips, Live Streaming)

Rationale

We are proud of Rankin School District #98. Thus, we want to provide recognition and promote the positive happenings of our District! Further, we want to connect with the extended members of our District’s families as well.

Pictures/Videos/Video Clips/Live Streaming:

Based on the above rationale, the District may choose to live stream school activities/events outside of the Regular School Day. This form serves as official notice to all parents and guardians that your son or daughter’s participation in activities/events outside of the Regular School Day may be identified and published online and/or live streamed.

During the Regular School Day, the District would like to take photographs, videos, and video clips of students and staff to publish online. The District will also want to identify the names of students in pictures, videos, and video clips during the Regular School Day. Thus, the District is seeking parent/guardian media consent for permission for your child to be included and identified during the Regular School Day in pictures, video clips, and videos online. Please note that the District will not live stream activities or events during the Regular School Day. If you consent to your child being identified in pictures, videos, and video clips during the Regular School Day, please indicate below. If you deny consent, please indicate below as well. If you have concerns related to your child about the live streaming of activities or events outside of the Regular School Day, please contact Dr. Matt Gordon, Superintendent, at 309-346-3182 or mgordon@rankin98.org. Also, if you deny consent for your child during the Regular School Day, but would like them to be included in the yearbook, please notate on the form below.

Pictures/Videos/Video clips of Students Taken by Non-School Agencies:

While the school limits access to school buildings by outside photographers, it has no control over news media or other entities that may publish a picture of a named or unnamed student.

I consent to RANKIN SCHOOL DISTRICT #98 identifying a picture, video, and/or video clip of my child or ward, by full name and/or the school he or she attends online during the Regular School Day. This consent is valid for one entire school year and the subsequent summer that my child or ward is enrolled in RANKIN SCHOOL DISTRICT #98. I may revoke this consent at any time by notifying Dr. Matt Gordon, Superintendent.
