PARENT/GUARDIAN PERMISSION FOR MEDICATION ADMINISTRATION

STUDENT: _____ GRADE (22-23): _____

Please mark any of the following medications which you will allow your child to receive at school:

_____ **ACETAMINOPHEN (Tylenol)**

Will be given according to package instructions based on weight/age. May be given every 4-6 hours as needed for minor aches and pains.

_____ **IBUPROFEN (Motrin, Advil)**

Will be given according to package instructions based on weight/age. May be given every 6-8 hours as needed for minor aches and pains.

_____ **BENADRYL CREAM (Diphenhydramine)**

Temporarily relieves pain and itching associated with insect bites, minor burns, sunburn, minor skin irritations, minor cuts, scrapes, and rashes. Benadryl cream is an antihistamine. It works by blocking the action of histamine, which reduces the symptoms of an allergic reaction. May be applied every 6-8 hours.

_____ **TUMS (Antacid tablets)**

Relieves acid indigestion, heartburn, sour stomach, and upset stomach associated with these symptoms. Dosage is 1-2 tablets, not to exceed 6 tablets in a 24-hour period.

_____ **NEOSPORIN OINTMENT (Triple antibiotic)**

For treating and preventing infection due to minor cuts, scrapes, and burns. Neosporin ointment is an antibiotic combination. It works by killing sensitive bacteria on the skin or in wounds.

_____ **COUGH DROPS**

A cough drop is a small, sometimes medicated tablet intended to be dissolved slowly in the mouth to temporarily stop coughs and lubricate and soothe irritated tissues of the throat (usually due to a sore throat), possibly from the common cold or influenza.

_____ **ARTIFICIAL TEARS**

Artificial tears are eye drops used to lubricate dry eyes and help maintain moisture on the outer surface of the eyes. May also be used to flush foreign objects from eyes.

All medications will be given according to package instructions and only with parent/guardian permission as indicated by your signature below. These are the only medications that may be given without a specific doctor's order. If your child needs to have any other medication, please provide a doctor's order and complete the School Prescription Medication Authorization form. If a student receives as needed oral medication from the list above, a note will be sent home.
